To Whom It May Concern,

Starting on May 9, 2018 running through to June 27, 2018. Blackmore Shooting Sports are having their 1st annual Sporting Clay's League. It is a fun social event that runs for 8 Wednesday's at our facility 31 km's north of Rimbey on HWY 20. This year we expect 21 teams of 5 (105 shooters) entered into our event. The shotgun league is a fun way to get friends or customers together for a couple hours each week.

This is going to be an 8-week event. It is open to anyone and everyone regardless of experience. It is made up teams and friends that just want to have some fun.

We are asking for the business community's support with Donations of prizes. We realize that our community is dealing with a difficult economy at this time. Any and all Donations no matter the monetary value will be greatly appreciated. I will be doing top and bottom scores, most improved shooters, etc. This is what makes our club great, we recognize all types of shooters and not just the great shooters get prizes. I aim for almost everyone to receive a prize, it's what helps build confidence in our new shooters

This is a great way for your business to advertise as we do include who sponsored the prizes in our site advertising. With a growing annual membership and many competitive shoots every season, you can be sure your business logo will be seen all year.

It is businesses like yours that have helped make our course exciting. Great food, fantastic prizes donated by local businesses, great course, and great friends.

In closing we would like to thank you for your very generous support and Invite you to be a spectator or if you would like to enter a Team in this tournament please contact myself at the number below.

Kindest Regards
